Dear Ms Wright:

I am writing to thank you for recognizing the deficiencies in the UtahAmerican Energy's application for a coal mining permit in the Lila Canyon area. (New Permit Application, Lila Canyon Extension, UtahAmerican Energy Inc., Horse Canyon Mine C/007/013-PM02B). I also appreciate your recognition and protection of the important biologic, geologic and hydrologic features of that area.

Keep up the good work, and thanks again.

Sincerely,

Fred Goodsell
